About Oregon Region SCCA

The Oregon Region of the Sports Car Club of America was established in the 1960's and has grown to its present membership of over 1,200 members. The Region obtained its charter from SCCA in 1962. It is a member oriented and operated club with the primary purpose of "promoting, maintaining and improving automobile sports and interest in the ownership, operation of, and safety of sports cars."

From its beginning, Oregon Region SCCA has been organizing and administering sports car/club racing events at Newport, Goshen (South of Eugene) and Portland's West Delta Park (now Portland International Raceway - PIR). The Region's first race was held at the Newport municipal airport (an ex-WWII air base) in 1962.

Currently, Oregon Region has active programs in Club Racing, Vintage Racing, Road Rally, Rallycross, and in Solo II - SCCA's autocross program where competitors compete against the clock in a controlled atmosphere. The Oregon region also provides workers and officials to major professional international racing competitions here in Oregon and across North America.

Individual event sponsors all hail from the Portland metropolitan area, including Monte Shelton Jaguar, Temp-Control Mechanical Corp., Parr Cabinet Outlet, Brewer Bros. Construction, and Pro Drive. The region's Web site is at www.oregonscca.com. Phone: 503.224.9469.
