Rule Books are available for purchase – though NOT required to compete at our events. You **MUST** have one to participate in the Annual Tech program, to lodge a protest or to compete at National level events. SCCA rules are available on line at <http://www.scca.com>.

You may reserve a permanent season number at Registration.

Safety: All vehicles must pass safety inspection on the following points prior to competing: seat belts, throttle return action, secure battery, no oil or antifreeze leaks, adequate brake pedal, tire condition, wheel bearings. All loose items, snap-on hubcaps, detachable fender skirts and trim rings must be removed. Real shoes are required (no sandals or flip-flops). **Helmets are required (Snell 95 or newer)** with some loaners available.

Noise: "Oregon Region SCCA Solo will be monitoring sound in accordance with procedures published in the SCCA National Solo Rules. The limit at all Oregon Region SCCA Solo events is 100 decibels.

Directions to PIR (Portland International Raceway): Take EXIT 306 B (Delta Park/PIR) off I-5 in North Portland. Follow signs to the PIR entrance which is on the west side of I-5. Before you enter the PIR main gate, you will notice a SOLO sign up area on the right. Stop here to sign the liability waiver and receive waiver verification (wristband) which must be displayed at all times while on the premises. Drive through the main gate, show your wristband to the security guard, then follow the paved road past the main event parking area and the large grassy area until you arrive at a gate which opens onto the racetrack between the spectator stands. The gate attendant will allow you to proceed across the racetrack into the Pro Pit Area (aka North Paddock) when the course is clear. Crossings are only allowed between road race sessions (about once every thirty minutes to an hour), **so don't be late!!**

For schedules, updates and results, follow the Solo link from the Oregon Region SCCA web site at <http://www.oregonscca.com>

Competitors are financially responsible for any damages they cause to the facility or SCCA equipment.
