#### Spec Miata T (SMT) Oregon Region Special Class

SMT will run under the National rules, GCR Spec Miata Category Specifications (SMCS) Section 9.1.8 with the following exceptions/additions. To qualify and/or receive regional points, trophies, and victory flag, Spec Miata T drivers must use Toyo Proxes RR tires, size 205x50x15. All four tires on the car shall be the same manufacturer and model. The Toyo RA1 is also allowed but recommended only for wet conditions.

Spec Miata Tour Series: The spec dry tires for the Tour are the Toyo RRs. Treads may not be “shaved” or “trued”. The spec rain tires are Hoosier SMW, Toyo RA1, or Toyo R888s. If any other tires are used during the races, no Tour points will be awarded.
